Day 9 Vocab List

Word	Definition & Sample Sentences
1 fideli ⇨	<input type="checkbox"/> dedication or loyalty to duties and obligations <ul style="list-style-type: none"> Even though the novel has some fideli to historical facts, the author has taken some liberties to add new stories. The dog showed great fideli to its owner, always staying by her side and protecting her. The artist painted a masterpiece with great fideli, capturing even the smallest details with precision and accuracy.
2 harbinger ⇨	<input type="checkbox"/> a sign that something will happen <ul style="list-style-type: none"> The first snowfall of the season was a harbinger of winter, signaling that colder weather was on its way. Dark clouds gathering in the sky were a harbinger of the approaching storm. The early morning chirping of birds acted as a harbinger of the new day, filling the air with sounds of nature awakening.
3 hubris ⇨	<input type="checkbox"/> excessive pride or self-confidence that leads to failure <ul style="list-style-type: none"> The athlete's hubris led to her downfall as she underestimated her opponents ability. The politician's hubris blinded him to the needs of the people, causing him to make poor decisions. The company's success was short-lived as its hubris made it blind to the next wave of technologies.
4 inertia ⇨	<input type="checkbox"/> a tendency to do nothing or to remain unchanged <ul style="list-style-type: none"> The heavy object remained still because of its inertia, requiring a significant force to move it. Because of the patient's inertia and her failure to complete therapy, her ankle injury worsened. The inertia of the police force allowed the murder suspect to easily slip out of the country.
5 impunity ⇨	<input type="checkbox"/> free from punishment or harm <ul style="list-style-type: none"> Sarah's arrogance made her believe she could fool people with impunity. In a democracy, even the president is without impunity. The boy's spoiled behavior was the result of enjoying years of impunity.
	<input type="checkbox"/> a strange or unique characteristic, habit, or behavior
